

## Fast Track Parent Information/Consent Form

### ***Please read before signing!***

*Note: These are not all of the Fast Track Policies. Below are the more important points of the entire Fast Track Policy, which can be found on a handout and on the Arisia website. Signing this form will indicate you agree to all policies, not just those on this form.*

**Fast Track** is a children's program open to fans aged 6-12 years old. Fast Track is billed as a con within a con; offering a wide variety of program items, including crafts, costuming, magic shows, science, song, discussions, demos, storytelling and games. Fast Track is **not** child care.

**Fast Track cannot provide snacks and meals.** Arrangements must be made to feed your children. Fast Track will be closed from 11:30am - 1pm for lunch.

You are responsible to pick-up your child by the time Fast Track closes, especially if he or she is wearing a red ribbon. Children with a red ribbon may only be picked up by an adult pre-approved by their guardian.

Any unattended children will be brought to Arisia Security, who will follow procedure to ensure the safety of the child.

Repeat offenses of not picking up your child on time will result in the revocation of the child's Fast Track membership to be replaced with a Kid-in-Tow membership, at which point they must be accompanied at all times by an adult including in Fast Track.

By signing below I am indicating that I have read and understand Fast Track Policies and agree to them.
